RE: Lewis Family Farm, Inc., et al. (Respondents) v. Adirondack Park Agency (Appellant) (Case Numbers 504696, 504626)

Dear Mr. Novack:

Please accept this letter as a request by Respondents to move the above-referenced matters to the beginning of the Court's calendar on May 27, 2009 (Afternoon Session). Respondent Lewis Family Farm, Inc., and New York Farm Bureau, Inc., *amicus curiae*, expect a large turnout of interested persons and members of the press to be present for the argument. Hearing this matter first will minimize any disruption to the Court that might otherwise occur during the other arguments.

Thank you for your prompt attention to this matter.

Respectfully Submitted,

Jacob F. Lamme
